THE HORSE RIDERS CODE OF CONDUCT

Rider Code of Conduct

- I understand that riding at any standard has inherent risk and that all horses may react unpredictably on occasions.
- I may fall off and be injured. I accept that risk.
- I understand that instructions are given for my safety and agree to follow instructions given to me by staff and instructors of the riding school.
- I reserve the right not to ride a horse allocated to me and may request a change of instructor.
- I understand that wearing an appropriate riding hat and body protector may reduce the severity of an injury should an accident happen, that I will always wear a riding hat whilst riding. I understand it is my choice whether or not I wear a body protector.
- I understand that the riding school will make decisions based on information I give them and agree to always be honest and volunteer information about:1.My abilities and riding experience 2.Any previous riding accidents. 3.Any medical condition(s) which may affect my ability to ride
- I understand that children are at particular risk around horses and agree that I will keep any children that I am responsible for, under close supervision when they are not being instructed by the riding school.
- I understand that the riding school may refuse my request to ride for safety or operational reasons.
- I understand that competing carries enhanced risk over and above general riding and agree that if I choose to participate in any competition or event, it is up to me to ensure that I have the experience and ability to ride the course including any jumps which form part of it. If I am in any doubt, I will use my judgment and experience and not enter.
- I confirm that I have read, understand and will adhere to current and future guidance in relation to Covid 19 as displayed at the stables.
- Riders or their responsible adult should inform MHRC at the earliest opportunity of any changes to a rider that affects their ability to ride.
